Test Prep Tutoring

Higher Scores

- Our program includes full-length practice tests, weekly homework assignments, and session notes for parents. Parents also receive access to our online Teachworks software.
- We hire only highly credentialed and experienced tutors. Our test prep tutors must pass ACT and SAT diagnostic tests before being hired.
- We hand-pick a tutor based on learning style, personality, location, schedule, and student needs.
- Tutoring is convenient, one-to-one, in-home, and caters to the student's busy lifestyle.
- Tutoring sessions are customized based upon the student's strengths and weaknesses on the ACT/SAT.

Test Prep Packages

24 Sessions (36 hours)

Our most comprehensive package, ideal for students looking to achieve the largest score increases. Includes unlimited full-length practice test reports, unlimited course books, and weekly homework assignments.

16 Sessions (24 hours)

Ideal for students looking for a larger score increase. This package is best for students looking to increase their scores by 200 SAT points or 6 ACT points. Includes three full-length practice test reports, three course books, and weekly homework assignments.

12 Sessions (18 hours)

Our most popular package. For those looking for a little more prep over our base package; right for most students. Includes two full-length practice test reports, three course books, and weekly homework assignments.

8 Sessions (12 hours)

Ideal for students who are close to their score goal or have limited time to prepare. Includes one full-length practice test report, three course books, and weekly homework assignments.
